

1 Session

We are happy to announce that our Build Yourself! Programme is ready to start.

After the feedback from the FUEN Member Organizations, we have prepared the **Training Calendar for 2019-2020.**

As specified the objective of the program is the development of the people who are working in the organization. The trainings are further support for the member organizations to create new possibilities/guidelines after the presentations, experiences shared by the Speakers.

Please save the first date:
